

SCHOOL DRESS CODE

Endorsed by Currambine School Council
Last modified April 16, 2002

INTRODUCTION

Currambine Primary School School Council has established a dress code for all students attending the school.

The School Council believes a school dress code:

- fosters and enhances the public image of the school;
- ensures students are safely dressed for specific school activities;
- encourages equity among students;
- provides a reasonable priced uniform; and
- prepares students for work, as many work places have dress and safety codes.

ADVICE ON DRESS CODE

Students should ensure that they take appropriate protection from the sun when outdoors.

Availability of Dress Code Items

Uniforms can be purchased from the School Uniform Shop.

Items within the designated school colours may be purchased from any clothing or department store.

Parents who have financial difficulty regarding the purchase of a uniform should contact the Principal to discuss the issue.

Modification to Dress Code

Parents of students who for religious or health reasons, may need to modify the school dress code are required to make an appointment with the principal. Staff will be informed of any student granted a modification to the dress code.

Students not following the dress code will receive:

- Counselling from a designated staff member on the benefits of a dress code;

- Assistance/support to obtain suitable clothing if necessary;
- A pass for an agreed length of time for dress modification;
- Students not following the dress code may be denied the opportunity to represent their school at official school activities; and
- Parents will be notified if a child is inappropriately dressed.
