

Currambine Primary School

Whole School Operational Plan – Technologies Curriculum and Digital Integration- 2021

Business Targets (2020-2022)

- Implement a six stage Design Process across the school – Define, Collect, Brainstorm/Analyse, Solutions, Feedback and Improve.
- Develop a Digital Technologies Scope and Sequence from Pre-Primary to Year 6.

Strategies / Actions	Resources	TimeLine	Personnel	Evaluation
<p>iPads & Digital Integration Remove the remainder of iPad 4 from the class distribution. Purchase 25 new iPads Distribute the following ratios of iPads: K- 3 = 1:4 4-6 = 1:2 Two iPad profiles used; K-2 & 3-6 All iPads to have covers</p> <p>Sets of iPad keyboards available for borrowing from the library.</p> <p>Provide professional learning on Office.com</p> <p>Continue to improve the ICT Scope and Sequence</p>	<p>\$12500 to replace older ipads</p>	<p>Term 1, 2021</p> <p>Ongoing 2021</p>	<p>Associate Principal</p> <p>D&T Specialist teacher</p>	
<p>Interactive Whiteboards All staff continue to use interactive whiteboards in their teaching, annotating the board and allowing students to interact with the technology. Staff to report issues with interactive whiteboards upon discovery.</p>	<p>Reflector installed on all desktop computers</p>	<p>2021</p>	<p>All teaching staff</p> <p>Associate Principal</p> <p>Line Managers during observations</p>	

<p>All staff continue to use Reflector to integrate iPads in the classroom.</p>				
<p>Design and Technologies Investigate and design a 6 stage Design Process with all staff. Develop a proforma for students to use as a guide to complete tasks. Complete in consultation with the Curriculum Committee.</p> <p>Employ a Design and Technologies specialist teacher for Pre-Primary. Teacher will report on this learning area in Reporting to Parents. Classroom sets of iPads are to be taken to Technologies when the class attends.</p>	<p>Cards or poster for teacher use or display in each classroom. (Stationery/Poster expense \$100) PowerPoint or BLM for students to use to follow the design process</p>	<p>Ongoing 2021</p>	<p>All staff Collaborate in PLCs to determine a user friendly student format according to Junior, Middle, Senior</p>	
<p>Digital Technologies Employ a Digital Technologies teacher for all year levels PP-6 – one hour of teaching per fortnight. Teacher will report on this learning area in Reporting to Parents.</p> <p>Implement, and adjust as required, the Digital Technologies scope and sequence in line with current curriculum expectations. Built in 2020.</p> <p>Classroom sets of iPads are to be taken to Technologies when the class attends.</p>	<p>Technologies Room</p> <p>Technologies iPads</p>	<p>Ongoing</p>	<p>Digital Technologies Specialist Teacher</p> <p>Associate Principal</p>
