

CURRAMBINE PRIMARY SCHOOL

TOGETHER TOWARDS TOMORROW

LAPATHON Friday 4th November 2022

Dear Parents / Carers

This year's lapathon will be held on Friday 4th November 2022. Your child has brought home a sponsorship form (see the reverse side of this letter) for our annual lapathon. While we would like our students to raise as much money as possible, could you please remind them that they are not to knock on stranger's doors to collect sponsors/donations. This is in the interest of the safety of your children.

The money raised this year will be used in the following ways:

- Part proceeds towards purchasing play resources that students can use at break times.
- Support the Physical Education Program with resources.

We are endeavouring to raise as much money as possible and your support in this fundraising event would be greatly appreciated.

There will be a prize from our sponsor, Fair Game Sports for the highest money raiser in each class, as well as spot prizes given out by our faction captains on the day.

All sponsorship forms are numbered to reduce the opportunity of anyone collecting money without authorisation. For this reason, all sponsorship forms must be returned whether they have sponsors or not. Parents are welcome to come along and join in the fun.

Students from Pre-Primary to Year Six will complete a course on our oval according to their age. There will be a junior, middle and senior school course of varying distances. Students will complete the course between 11.30am and 12.45pm, followed by an icy pole on the oval, before returning to their class for lunch.

Students will need to make sure they have a labelled bottle of water, a hat and apply sunscreen for the day.

The lapathon theme for this year will be decided by the faction captains and revealed at a later date. Students will be encouraged to dress in the theme as they participate in the lapathon.

We look forward to your support.

Jane Falco
Physical Education Specialist
